CAN FAITH COMMUNITIES LEAD US OUT OF THE DESERT?

SATURDAY APRIL 10, 2010

1 PM to 5 PM

OUR LADY HELP OF CHRISTIANS

573 Washington St., Newton, MA 02458

www.ourladys.com

From Copenhagen to Washington...

How Faith Communities Can Transcend the Gridlock

Keynote Speaker

ANNE L. KELLY

Co-Director, Policy Program & Director, Business for Innovative Climate & Energy Policy [BICEP], Ceres

Three Educational Panels

Learn: (1) How to lower your house of worship's carbon footprint & utility bills;
(2) How to find the funds and (3) how to engage your congregation and community.
